

A team of accredited court agents at e4 collect and make copies of public record court documents in the civil courts of South Africa.

ConsumerAlerts allows subscribers to receive email notifications with the added option of requesting a physical document copy via SearchWorks.

**Benefits:**

- Load as many ID numbers as you want, free of charge, via the SearchWorks interface or via our API.

**Instant notification when any of the following court orders are listed against a consumer:**

- Judgement by default
- Judgement by Consent
- Sequestration
- Liquidation
- Charges only apply once a court order is listed against a consumer that has been loaded and the notification has been sent
- Easily request a digital copy of the court order
- Notifications are the earliest warning of the consumer being listed (know even before the credit bureaus)
- Pro-active credit vetting of existing consumers
- Confidentiality of client data supplied

**Target Market:**

- Credit providers
- Clients wanting to monitor their consumer base
