

A workflow application that manages the entire debt department according to the NCA, DebitReview includes features such as SLA management, document generation and storage.

The product offers integration into debt counselling software and provides an attorney interface.

Benefits:

- Provides a single point of workflow management for accounts that enter into this legislative process.
- Management of all electronic communication between a credit provider and debt counsellor.
- Includes status updates, payments, settlements and arrangements.
- Provides storage for all documents involved in the process.
- Links the creditor's attorney panel for oppositions as well as termination processes.
- Is linked to a powerful search engine (SearchWorks).
- Provides an update to credit bureaus with regards to application or termination.

Target Market:

- Credit providers
- Debt counsellors
- Debt attorneys

Should you require additional details relating to DebtReview, our team is on hand to assist. Please email us at info@e4.co.za.

We look forward to hearing from you.
