

DECEASED&INSOLVENCY™

Credit providers can log deceased or insolvent estates on this portal, as well as keep track of the flow of the account through the various stages to when the practitioner confirms that the estate is closed, also known as finalisation.

Consultants attend to notifications, lodge claims, conduct follow-ups, and build property.

Benefits:

- A single point of workflow management for accounts that enter into this legislative process.
- Manages all electronic communication between credit providers and executors, including status updates, payments, settlements and correspondence.
- Provides storage for all documentation involved in the process.
- Links the creditor's attorney panel into the process.
- Linked to a powerful search engine (SearchWorks) for deeds information.
- Provides a service to obtain the death certificate as an auxiliary service.

Target Market:

- Credit providers and executors
