

A complete, secure solution to verify and confirm a client's fingerprint biometrics directly with the Department of Home Affairs (DHA) enabling the authentication of identity.

The product is most suitable as an effective anti-fraud measure to confirm the identity of the person engaged in the transaction in real-time.

Benefits:

- The enrolment of several fingerprint biometrics of a client.
- Various matching checks can be done at source during enrolment.
- Verification of fingerprint biometrics against DHA's records.

Target Market:

- Accountable institutions (under FICA)
- Financial institutions

Should you require additional details relating to DigitID, our team is on hand to assist. Please email us at info@e4.co.za.

We look forward to hearing from you.
