

SearchWorks is a web-based search application, which provides information and services to various groups of professionals. Being a web-based application means that there are no on-site updates or interruptions when changes are made.

All searches are done 'live' to avoid supplying information that is out-of-date and are charged on a per search basis, which means no hidden registrations or monthly subscriptions.

Get SearchWorks today:

- Saves you money: Savings on your monthly search bill.
- Saves you time: Faster access to information and documents.
- No 'offline' searches: Deed office server indicator lets you know when it is online.
- No user admin headaches: An admin user on site does all user maintenance.
